

Govt. Sec – 9 college, Gurugram

Road Safety Awareness

Road safety is most common and important topic and has been added to various field like Education, Social Awareness, etc, in order to bring more awareness in public especially among school and college students. Road safety is an issue that affects everyone in India. A rally was held On 17/08/2024 by NSS unit I and II in pg college sec -9. On this program NSS incharge Dr. Harish Kumar and Dr. Monika Sehrawat were also present. Students displayed poster and placards and shouted slogans on road safety and safe driving and riding habits. After the rally refreshment were also given to the students.
