

This Memorandum of Understanding (MoU) is entered into by and between:

VAll (hereinafter referred to as "VAll"), a platform dedicated to facilitating youth engagement in social impact through volunteering, micro-projects ("quests"), and internships;

and

Government College, Sec 9, Gurugram, Haryana (hereinafter referred to as "the College"), a state-funded institution committed to the academic and professional growth of its students.

1. Purpose

The purpose of this MoU is to collaboratively enhance the employability and civic engagement of students through structured social impact learning pathways, hands-on volunteering ("quests"), opportunities to design their own projects, and long-term internships via the VAll platform.

2. Objectives

- To introduce students to the social impact ecosystem and civic opportunities.
- To offer structured volunteer experiences ("quests"), including short-term micro-volunteering and long-term internships.
- To empower students to design and execute their own social projects using VAll's "Build Your Own Quest" tool.
- To provide orientation sessions on employability, resume-building, and leveraging community engagement for career growth.

3. Scope of Activities

a. Orientation and Awareness Sessions:

VAll will conduct online/offline orientation and guidance sessions for students and educational staff, covering:

- Social impact, volunteering, and its importance for youth
- How to identify and apply for quests and internships through the VAll platform
- Skill-building, employability trends, and career guidance

b. Access to VAll Platform:

- The College's students shall receive access to all open quests and internships on VAll.
- Students may participate in individual or team-based quests and can design their own social impact projects.
- VAll shall facilitate collaboration opportunities between students, faculty, and community organizations.

c. "Build Your Own Quest" Feature:

- Students will have the option to create and manage their own social projects, inviting peers, mentors, and local stakeholders.
- Support and guidance from VAll will be available for project ideation, planning, and execution.

d. Certification and Recognition:

- Digital certificates or records of experience will be awarded to students for the successful completion of quests and internships.
- The College will encourage students to participate and support recognition of VAll-certified experiences in co-curricular records.

4. Roles and Responsibilities

VAll Will:

- Provide access to the VAll portal, regularly update opportunities, and facilitate interactions between students and NGOs.
- Conduct the scheduled orientation and skill-building sessions.
- Offer digital certificates for completed activities, with verified records for portfolio/resume use.
- Report engagement analytics and feedback to the College's representative.

The College Will:

- Appoint a faculty coordinator for liaison with VAll.
- Assist in publicizing VAll offerings and mobilizing student participation.
- Provide venue/infrastructure support for sessions as feasible.
- Facilitate institutional recognition and integration of VAll experiences.

5. Terms and Termination

This MoU will remain valid for a period of three (3) years from the date of signing, with provisions for renewal.

Either party may withdraw from this MoU by giving thirty (30) days' written notice.

6. Confidentiality

Both parties agree to maintain the confidentiality of student and institutional data, ensuring its use only for agreed partnership objectives.

7. General

This MoU outlines a non-binding agreement of intent, subject to mutual planning and review.

The execution of any specific activities will be mutually discussed and scheduled by designated coordinators.
