Workshop on Review of Literature for Postgraduate Students

The **Research and Development Cell** is organising a *Workshop on Review of Literature for Postgraduate Students*. The session aims to provide insights into the importance, methods, and techniques of reviewing literature as part of academic research. It will help students in understanding how to critically analyse, synthesise, and present existing studies in their respective fields.

Date: 29th September 2025

Time: 12:00 noon to 01:00 pm

Venue: Room No. 8 (Commerce Block)
